

# Wash your hands

Wash your hands with soap and running water when **hands are visibly dirty**

If your **hands are not visibly dirty**, frequently clean them by using alcohol-based hand rub or soap and water

# Protect yourself and others from getting sick

## Wash your hands

- after coughing or sneezing
- when caring for the sick
- before, during and after you prepare food
- before eating
- after toilet use
- when hands are visibly dirty
- after handling animals or animal waste

# Protect others from getting sick

When coughing and sneezing  
**cover mouth and nose** with  
flexed elbow or tissue

**Throw tissue into closed bin**  
**immediately after use**

**Clean hands** with alcohol-based  
hand rub or soap and water  
after coughing or sneezing and  
when caring for the sick

World Health  
Organization

# Protect others from getting sick

**Avoid close contact** when you are experiencing cough and fever

**Avoid spitting in public**

If you have fever, cough and difficulty breathing **seek medical care early** and share previous travel history with your health care provider
